5th Annual Golf Tournament Success

June 14th, the sun was shining, the sky was clear and 84 golfers were huddled around the registration table at the bright and early time of 7am to get ready for the 5th Annual CFCE Golf Tournament. Hot breakfast burritos and coffee were served to wake up those bleary eyes and to energize the players for a fun 4 man scramble game of golf. We had several new players this year and for the first time we held it on a Saturday at a new course, The Colorado National Golf Club.

The shot gun went off at 8am and sent all 84 golfers out onto the course for what turned out to be one of the most successful fundraisers to date. There were many incentives at different holes, including longest drive, closest to the pin, and hole in one. Everyone played a good round of golf and also imbibed in some early morning beer generously donated by Golden City Brewery.

Golfers trickled in to the golf club around 1 pm for a tasty Golf Day Grill Buffet and the start of our lunch program. Our golf chairman, Doug Liller, started off by announcing the tournament and prize winners. Winning the tournament this year was Dave Seery's team, in second place was Andrew Elliott's team and in 3rd place, Linda Meyer's team. Following the awards, James and Libby, two of the children at CFCE, picked out the 15 winning raffle tickets. The winners could

choose their prize from a selection of gifts, sporting items/tickets, framed art and many more donated items.

After the hustle of the raffle, we then went into a bidding war over 5 fantastic live auction items, which included a Saint John Island Package, a Breckenridge Ski Package, a Bronco's Package, a Steamboat Activity Package and a CordeValle Golf Package. We managed to raise an excellent amount of money for CFCE, which will be used towards the development and running of our programs and summer camps. In between auction items, we had short presentations from four families whose children attend CFCE. See the article on page 4 to learn more about these wonderful children.

The finale to the event was to be a ball drop from a helicopter. The wind had picked up quite a bit by the end of the afternoon and unfortunately the helicopter could not fly. But... the show must go on, so we asked James to draw a winning ball from the bin of balls.

That ball number was purchased by Chris Gottschalk winning him a pot worth \$560, which he very graciously handed to James to be donated back to CFCE!

For those of you who participated and supported this annual fundraiser, we can not thank you enough! We look forward to seeing you at our next event.
